

## ABOUT THE STATE

Happenings of Interest from Different Sections.

Twenty-four years ago last Sunday occurred the big fire that nearly wiped out St. Albans.

James Martin and Richard Clarke of Montpelier caught 14 dozen trout in Potash brook in Burlington on Friday.

More fish are being taken from Caspian lake, Greensboro, this summer than for many years previously. Truman Orcutt of the Caspian Lake house pulled out a seven-pound trout one day last week, besides a string of smaller ones.

Egbert W. A. Jenkinson has been engaged as associate pastor of the Federated Congregational churches of Rutland and Clarendon. He began his work at Clarendon last Sunday. He has been engaged in war work.

Billy Allen, one of the best known showmen in the country, has been seriously ill in Burlington with appendicitis, brought on by an attack of indigestion. He has been in the show business for the past 20 years.

Fair Haven is to have a Tauber-Lipton company shirt factory, the business men of the place having voted to purchase a building there. The purchases decided to form a stock company and about \$4,000 worth of stock was taken at the meeting.

The George E. Fox estate has placed in the Brattleboro free library a complete set of all theatre programs from the time of the opening of the auditorium up to Mr. Fox's death. They are for public reference and will show what noted actors and actresses have played in Brattleboro.

With an attendance of over 500 at the evening session, it is believed that the Windham county Sunday school convention, held last week in Brattleboro, is the largest Sunday school convention ever held in the state. There was a registration of 400, including 16 pastors, 53 teachers and 28 superintendents.

Charles E. Dewey of Montreal died at Atlantic City, N. J., Thursday, where he was on a vacation. He was general freight agent of the Central Vermont, with offices in St. Albans, for several years. Later he was transferred to the Grand Trunk road, with offices in Winnipeg, Manitoba.

Chipman hill in Middlebury which was given that town by the will of the late Joseph Battell, is now being made into a park, carrying out the wishes of the donor, who also set aside \$9,000, the income from which is to be used for improvement on the property.

Laura Butler, the three-year-old daughter of Mr. and Mrs. Henry Butler of St. Albans, narrowly escaped burning to death Saturday night as a result of playing with matches. The child was burned severely on the right leg from the ankle to the body. Her condition is favorable.

The Vermont Milk Chocolate company of Burlington and the Massachusetts Chocolate company of Boston have recently completed a deal to sell to the Belgian wholesale confectionery company of Leroux brothers every pound of chocolate and cocoa on hand in their immense storerooms, for immediate shipment to Belgium. A special train, loaded with the product, left Burlington Sunday for New York, there to be transferred to a ship sailing to-day.

Dr. and Mrs. Fremont Hamilton and son, John, will leave Brattleboro the first week in June for an automobile and camping trip of four or five months to Seattle, Wash., where they will attend the sessions of the general grand chapter of the Order of Eastern Star July 23, 24 and 25, and then will go south to Los Angeles and San Diego, Cal. Dr. and Mrs. Hamilton will take a special camping outfit, will sleep in their tent and prepare all of their own meals on the trip.

Mrs. George A. Joslyn of Omaha, Neb., has sent the Greeley memorial committee a check for \$500 toward paying for the house in East Poultney, where the great journalist learned the printer's trade. The gift is in memory of her husband, who was born in Whitefield, and died last year in Omaha. Mr. Joslyn was head of the Western Newspaper Union, whose stereotype plates are used by most of the country papers in the United States.

Clayton Carlisle of Ludlow, who served in Co. F, 4th engineers, has come home ill with an incurable disease, which is called Hodgkins disease. This is a glandular swelling all over the body, for which no cure has ever been found, and which will ultimately prove fatal. The government will pay him \$100 a month as long as he lives for the total disability brought about by war service. He also will get \$57 a month from his war risk.

Congressman Frank L. Greene of St. Albans, who has been in France as a member of the House military affairs committee party to investigate conditions in the American army, reached New York from Europe last Saturday and went at once to Washington, D. C., for the convening of Congress. The party went over the military situation of France and into the part of Germany held by the army of occupation. Congressman Greene and his son, Lieut. Richard L. Greene, passed each other on the ocean, neither knowing that the other was at sea. The ships undoubtedly met about a day's journey from New York harbor, the younger man just leaving with a replacement group for use in the army of occupation. He enlisted early in the war but did not get over France and into the part of Germany held by the army of occupation. Congressman Greene and his son, Lieut. Richard L. ## AS YOUNG AS YOUR KIDNEYS

The secret of youth is ELIMINATION OF POISON FROM YOUR BODY. This done, you can live to be a hundred and enjoy the good things of life with as much "pep" as you did when in the springtime of youth. Keep your body in good condition, that's the secret.

Watch the kidneys. They filter and purify the blood, all of which blood passes through them once every three minutes. Keep them clean and in proper working condition and you avoid nothing to fear. Drive the poisonous wastes and deadly acid accumulations from your system. Take **HOLD MEDICAL** Haslem Oil Capsules and you will always be in good condition. You will feel strong and vigorous, with steady nerves and elastic muscles. **GOLD MEDICAL** Haslem Oil Capsules are imported direct from the laboratory of **Dr. E. J. Haslem, Holland**.

They are a reliable remedy which has been used by the sturdy Dutch for over 200 years, and has helped them develop into one of the strongest and healthiest races of the world. Get them from your druggist. Do not take a substitute. In sealed packages—three sizes.

## "GETS-IT" PEELS MY CORNS OFF!

Any Corn or Callous Comes Off Peacefully, Painlessly—Never Fails.

It's almost a picnic to get rid of a corn or callous the "Gets-It" way. You spend two or three seconds putting on two or three drops of "Gets-It," about as simple as putting on your

hat. "Gets-It" does away forever with "corn-traps," "wrappers," "plasters," "great ointments" that rub off, bleed, sting, burn, and scalds that snip into the "quick." "Gets-It" cures plain, "corn-jumpy" corns, shrinks, dries, loosens, and peels the corns off painlessly from your toes in one complete piece. That's where the picnic comes in—no need to cut it off as you would a banana peel. Nothing else but "Gets-It" can do it. Get peaceful, common-sense "Gets-It."

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Sold in Barre and recommended as the world's best corn remedy by Cummins & Lewis—Adv.
